PIYUSH AGARWAL
CULTURAL AND EVENT CURATOR

I strongly believe that the Bhagavad Gita serves as a valuable guidebook, rather a 'Human Manual' as I like to call it, for leading a purposeful life. With this belief in mind, we organized an extraordinary event where we achieved a remarkable world record of having 100,000 people chant the holy book together! It was truly a momentous occasion.

What made this event even more special was the collaboration of 45+ ashrams who joined hands with us to make it a grand success. We made sure that every ashram had an equal pedestal because, in the eyes of the Supreme, everyone is equal. It was heartwarming to witness such unity and diversity coming together.

The overwhelming response and participation from ashrams have inspired us to continue our mission of bringing more ashrams on board. We believe that by coming together, we can create an even greater impact and spread the teachings of the Bhagavad Gita far and wide.

I am also honored to inform you that I have been recognized by the Official World of Records as the **Largest Consecutive Record Breaking Mass Event Director in a Single Day**.

We have also managed to successfully attempt three different World Records in a single day at Brigade Parade Ground on December 24th, 2023. The fact that over 1.5 lakh people attended these events is a testament to your ability to organize and attract such a large audience.

The following are the World Records Made:

- the Largest Voice Chanting of Bhagavad Gita,
- the Largest Blow of Shank, and
- the Largest Mass Singing of Nazrul Song (He Partha sarthi bajao bajao)

Thank you for your continued support and belief in our mission. Together, let's keep spreading the wisdom of the Bhagavad Gita and make a positive difference in people's lives.

Warm regards,
Piyush Agarwal
